AOM No. 2026-001 dated March 4, 2026	Disbursements totaling ₱6,004,916.71 were not supported by appropriate and sufficient documentation, contrary to Section 4(6) of Presidential Decree No. 1445; hence, the validity and propriety of the transactions could not be ascertained.	a. Immediately submit the lacking documents of the transactions as indicated in Annex A to C to support the disbursement of public funds; and b. Ensure that all disbursement transactions are supported by complete, appropriate, and sufficient documentation prior to processing and payment, including all required attachments, signatures, and approvals in accordance with PD No. 1445 and COA Circular No. 2012-001.	Not Implemented. Not Implemented.
AOM No. 2026-002 dated March 6, 2026	Twelve (12) transactions totaling ₱271,760.00 were recorded using inappropriate accounts, resulting in the misstatements of affected account balances in the financial statements, in violation of the fair presentation requirement under International Public Sector Accounting Standards (IPSAS) No. 1- Presentation of Financial Statements.	a. Prepare the necessary adjusting journal entries to correct the identified erroneous entries in the accounting records; and b. Strengthen internal control and review procedures in the recording of financial transactions to ensure that the appropriate accounting codes and accounts are consistently applied in compliance with the Revised Chart	Not Implemented Not Implemented

		b. For future preventive measure, any penalties, surcharges, or interest expenses incurred due to management lapses should be charged to the responsible officials instead of the agency's budget, ensuring accountability and prudent use of government funds.	Not Implemented The Management issued a memorandum to the Accounting Unit emphasizing strict compliance with remittance deadlines and warning of possible administrative sanctions for future late remittances. The memorandum further provided that any penalties, surcharges, or interest expenses arising from management lapses shall be charged to the responsible officials or personnel, not to the agency's budget, to ensure accountability and prudent use of government funds. However, copy of the memorandum to substantiate the claim was not submitted to the Audit Team.
